Pentecost in the Old Testament was a celebration of when God gave the law to Moses. In Acts 2, God gave the Holy Spirit to believers and wrote the law on people's hearts. You can still experience Pentecost today.

Acts 2:1-8

1.) What is _____?

There were three primary feasts in the Jewish tradition: Passover, Pentecost, and Feast of Tabernacles. Pentecost was a celebration of when God gave the law to Moses. Although the word literally means "fiftieth," many people are afraid to talk openly about the truth and significance behind this event.

2.) What _____ at Pentecost?

In the New Testament, new Christians were celebrating Pentecost. While they were praying, God poured out the Holy Spirit on them, and tongues of fire rested on each of them and they spoke in new tongues.

3.) Can I _____ Pentecost?

Today, most Christians would say you can experience Passover when you receive Jesus, the Passover lamb. You do this when you believe and receive salvation by faith. In the exact same way, you can experience Pentecost when you believe and receive by faith. The Holy Spirit does come to live in us when we are saved. However, Pentecost (or the baptism of the Holy Spirit) allows us to experience the fullness of the Holy Spirit in our lives.

Take home:

- Pentecost just means "fiftieth" and is a celebration of when God gave the law to Moses.
- Pentecost in the New Testament was when God poured out His Spirit on believers.
- You can experience Pentecost today.
