CALL PASTOR EDDIE. WE'LL GET TOGETHER FOR COFFEE AND CHAT: 509-326-2913

Dear Ridgeview Family,

So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, praising God and having favor with all the people. And the Lord added to the church daily those who were being saved. Acts 2:46-47

Just as something wonderful happens when God's people get together and study His Word, something extraordinary happens when God's people get together and sing His praises. Jesus said, "For where two or three are gathered together in My name, I am there in the midst of them." Now this verse is not saying that God only shows up when people worship, because God is omnipresent. But He manifests His presence in a special way when His people lift up His name in praise and worship.

And at RCC, we value our times of corporate worship, and we are grateful to the teams that plan, prepare, and lead us into worshipping Jesus each Sunday. Our volunteers do an incredible job, from the singers to the tech team.

After careful consideration of our spatial limitations in relationship with amplifying the individual pieces in our worship teams, there is one item we feel could provide a very practical solution for easily controlling the volume levels: an electric drum kit.

The biggest benefits of electric drums are containment and volume control. It certainly will make things easy on the sound man.

In order to cover the cost of the drum kit, we are asking people to consider giving a one-time, tax-deductible gift.

The price for the kits recommended to us range from \$1,500-2,500. We hope to have the money raised by September 23rd. We will tally the progress toward our goal and report it in the next bulletin.

If there is any discretionary money that you could put toward this purchase, we would certainly be grateful. Your contribution, large or small, will make a difference.

If you are able to support this effort, please use an RCC contribution envelope and mark it to be used for drums.

Thank you for your consideration,
Pastor Eddie
