*Daryl and Rachel Erickson— Assemblies of God
Missionaries in Residence, Trinity Bible College*

Rachel and I continue as Missionaries in Residence at Trinity Bible College. I have been teaching missions courses such as Theology of Missions, History of Missions, Intercultural Communications etc. We are also working as Directors of the Distance Education office. God has blessed us and we enjoy investing in young lives and their future ministries.

Mission Trip to Intercity Atlanta

In March Rachel and I had the wonderful opportunity to take a group of 7 students from Trinity to minister in Atlanta with the Atlanta Dream Center team. The week was filled with reaching out and ministering to the homeless, children, poor, addicts, and prostitutes. It was a life-changing experience for all of us. **Photo Top:** Our team!

Photo Below Left : Our favorite ministry...children. **PhotoTop:** ministry to the homeless and poor of giving a clothing outfit, cosmetics, shaving items and a Bible. Each person was prayed with when exited. **Photo Below:** Atlanta has the third highest percentage of human trafficking of women and children in the nation. We noticed this sign on our way home...a sad reminder that slavery is alive today! Pray for Atlanta Dream Center!
